I need you guys to help get together an evidence package for DOJ on Dow, LDL Coastal, and Sequa Corporation. I think we already have gotten together this info so it shouldn't be too hard to pull together.

P.S. Welcome back Barbara A!

Tom,

Please note attachment below. Can you let me know as soon as possible as to who the attorney assigned to Gulfco? I need to touch base with them as quickly as possible to begin negotiations.

Thanks!

P.S. I have worked with Nat Douglas and Jason Barbeau before and they both have heard my complaints about the Gulfco case for the past several years so it shouldn't be too much effort to get them up to speed if they are assigned the Gulfco case. Of course, I completely understand if they are unavailable.
